

LIBERTÉ EUROPA TOURS

Dear Head of Spanish,

Liberté Europa Tours celebrated its first school trip in 2024. A Belfast school went on a linguistic and cultural trip to Málaga–Benalmádena for 7 nights at the end of January (45 students and 4 teachers). The group was based at Maravillas language school. They had Spanish classes in the mornings, lunch at the school, and in the afternoons, they did various excursions and activities, including visits of Málaga and other beautiful local towns and attractions, as well as a flamenco dance class and a Spanish cookery class. It was a highly successful trip, as you can see below:

Testimonial from Mrs Sonia Morton, Head of Spanish at St Dominic's Grammar School, Belfast:

We chose LE Tours for a semi-intensive Spanish course trip for one week for our GCSE and AS level students. The flexibility convinced us when booking. LE Tours took care of everything, including Spanish classes at the Instituto Maravillas in Benalmádena, our stay at a nearby hotel, excursions to sites of interest and insurance. I wanted exam revision classes for my students and classes were tailored to the topics which I had indicated in advance. Classes were not just grammar exercises, but also included practising scenarios which students could face in their daily lives (role-plays/cookery lessons, etc). There was something different every day. These daily challenges were invaluable. The teaching was phenomenal. Teachers were always cheerful and knowledgeable. Spanish classes were complemented by excursions to nearby towns and cities such as Málaga, Benalmádena old town, Mijas, Marbella, and even Seville, where our students experienced real Spanish culture. I am really glad we picked LE Tours for our language trip. We look forward to our next stay in the near future with LE Tours!

More recently, in October 2025, a Belfast school went to Málaga–Benalmádena for 5 nights (50 students, 5 teachers).

Mrs Donna Royal, Spanish Dept., Dominican College Fortwilliam, Belfast, gave this feedback:

In October 2025 we set off for Benalmádena with LE Tours, and I can say without hesitation that it was one of the most memorable trips I've ever experienced. Every detail was expertly organised, and our full itinerary meant we were able to enjoy an incredible variety of activities. On three mornings, the pupils took part in Spanish lessons tailored to the topics they were studying back at school. These sessions were lively, diverse, and packed with interactive tasks and games. The girls came out of each class absolutely buzzing, and it was clear that the teachers were both inspiring and imaginative.

We also explored nearby towns such as Ronda, Mijas, and Benalmádena's charming old quarter, delving into the rich historical and cultural heritage of the region—something that captivated us all. Of course, no trip would be complete without a bit of shopping, so we spent an afternoon in the beautiful city of Málaga, where we also enjoyed time on the beach playing rounders and soaking up the warm October sun. Another highlight for many was our dolphin-watching boat trip, which certainly lived up to expectations. Everyone managed to catch sight of the dolphins on the final day, rounding off what was an unforgettable six-day adventure.

Our hotel was excellent, offering superb buffet breakfasts and evening meals with something to suit every taste, and the staff were wonderfully welcoming to our pupils. Lunches, provided by the Maravillas language school, were exceptional—authentic Spanish dishes that gave the pupils the chance to try new flavours and fully immerse themselves in the local culture. I would not hesitate to recommend LE Tours for your next school.

At present, LE Tours is providing trips to the one destination mentioned above. Flights are not provided – you book and pay for your own flights. LE Tours can, however, offer excellent travel insurance, if required.

If you are interested in a quote, we can email a hassle-free quote document to you, with your trip programme outlined.

Many thanks,

Patrick McGuigan,
Founder,
LETours.
